

Component::Component

```
classDiagram
    class Component {
        Component()
    }
    class PhysicComponent {
    }
    Component <|-- PhysicComponent
```

The diagram illustrates a class hierarchy. At the top is a white rectangular box labeled 'Component::Component'. Below it is a gray rectangular box labeled 'Component::PhysicComponent'. A blue arrow points vertically from the top of the gray box to the bottom of the white box, indicating that 'Component::PhysicComponent' inherits from 'Component::Component'.

Component::PhysicComponent
